Advesa Digital

Web Developer

Dear Hiring Team,

As a recent graduate from the University of Windsor with a Bachelor of Science in Computer Science, I am extremely interested in the Web Developer opportunity offered by Advesa Digital. After reviewing the key qualifications for this role, I am confident that I am well-prepared to be a valuable contributor to the company's growth and success.

Through my academic journey, I applied a strong focus on building my programming abilities. I am detail-oriented and meticulous when managing competing priorities within tight deadlines. I work best in roles where utilizing analytical skills allows me to make a positive impact while using creative problem-solving to resolve issues and achieve goals.

My academic strengths have greatly contributed to the development of my communication, critical thinking and collaboration skills. I bring clear and effective communication to build professional connections with co-workers, management and customers. I would welcome the opportunity to further discuss the details of my experience and attributes which I believe will be an asset to the Advesa Digital team. Please review my attached resume for additional insight into my background. Thank you for your time and consideration.

Sincerely,
Quentin Lambkin
